

## **SPECIAL ANNOUNCEMENT**

McMinnville Housing Authority has successfully converted its' entire public housing program to Section 8 Project Based Assistance through the Rental Assistance Demonstration Program. The conversion was effective December 1, 2020.

All residents are required to sign new leases and the attachments as well as the Form HUD 50059 before January 1, 2021 or HUD will not pay their portion of the tenants rent. The staff has worked very hard to get the documents signed. They have done curbside delivery and delivered documents to those that could not get out. We still have several that have not completed signing the required documents. If you have not completed the process, PLEASE call or come in AS SOON AS POSSIBLE. You must sign all documents for HUD to pay their part of your rent.
